Symbios Consulting presents courses with AUC

In partnership with the American University in Cairo (AUC), Symbios consulting team will start teaching five courses in the Institute of Quality Management (IQM) using the Symbios training material and body of knowledge after an agreement with the Management Center at AUC signed on October.

Symbios Team, and AUC Director of management Center Celebrating the first graduating Class

The agreement came after a successful wave of training Symbios has provided at AUC last year where eight participants have been certified as Lean Six Sigma Black Belts.

Symbios would provide all trainings related to Six Sigma such as Black Belt, Champion, Master Black Belt and Yellow Belt. Attendees of Green Belt courses shall take online exam from Symbios Consulting whereas Black Belts will take exam from Process Excellence Academy in UK.
