Partners to the MIRACO Suppliers Development Project achieve huge jump

Symbios Consulting has celebrated the conclusion of a 17 months project to upgrade, modernize and enhance the competitiveness of three local suppliers of Miraco Carrier Company, United Company for Metal Industries (Naloo), Union Coat for Liquid and Electrostatic Powder Paints (Union) and Alamaia for Insulation Materials (Rockal).

The Participants from the three Companies with Symbios Team, and IMC Contract manager

Symbios, by making use of its expertise in Lean tools and techniques, managed to help these three companies increase their effectiveness and competitiveness. The projects improved the quality and quantity of production as well as achieve on-time delivery and exports to their customers.

Naloo achieved 97 percent increase in sales, 83 percent increase in exports, 247 percent increase in investment, 74 percent increase in employment and 136 percent increase in productivity. [Read more](#)
